CLLPAG Organizational Plan 2017/2018

1. Provide patient input to the drug approval process.
2. Organize CLL Live for 2018.
3. Website revamp.
4. Explore translation of new materials.
5. Review the impact of communications initiatives on increasing our membership
6. Continue to collaborate with umbrella organizations to ensure that CLL & SLL patients' needs are included and communicated to the appropriate decision making bodies.
7. Complete a survey on the quality of life with CLL.
